

NRXN ntc signaling pathway network

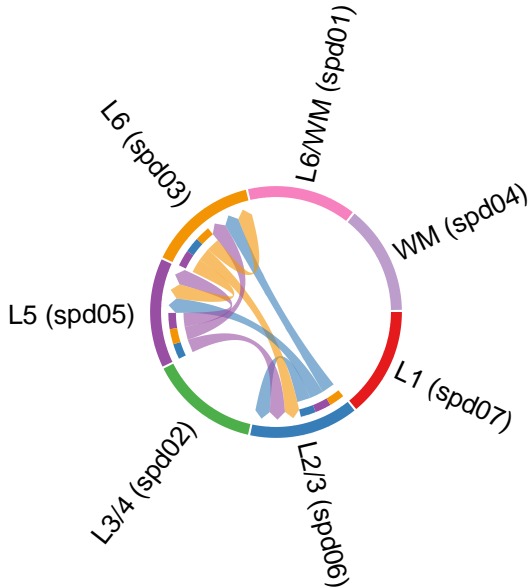

NRXN scz signaling pathway network

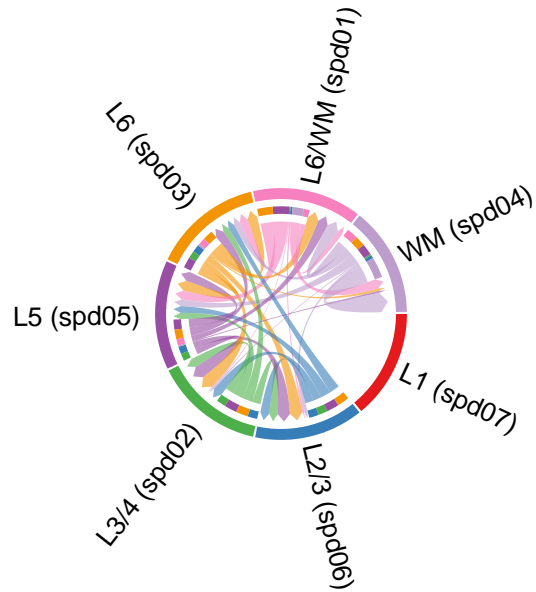

L1CAM ntc signaling pathway network

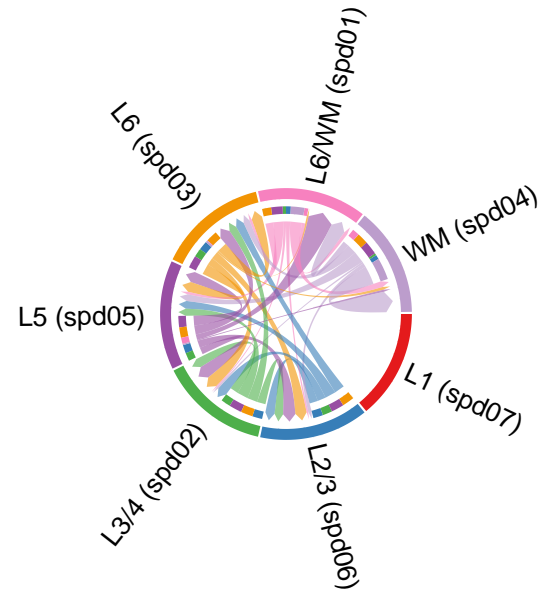

L1CAM scz signaling pathway network

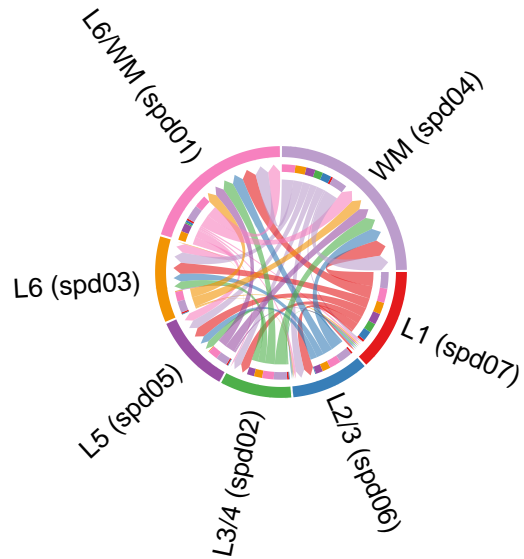

CNTN ntc signaling pathway network

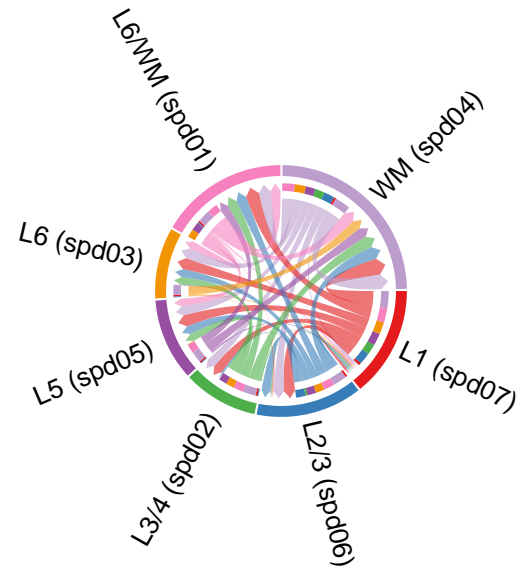

CNTN scz signaling pathway network

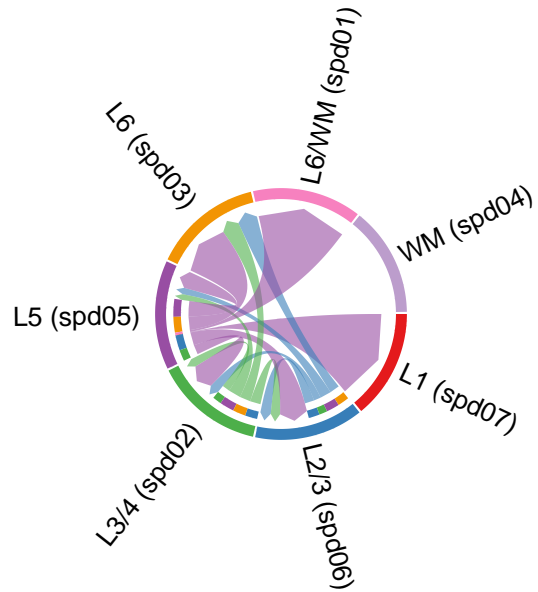

PTN ntc signaling pathway network

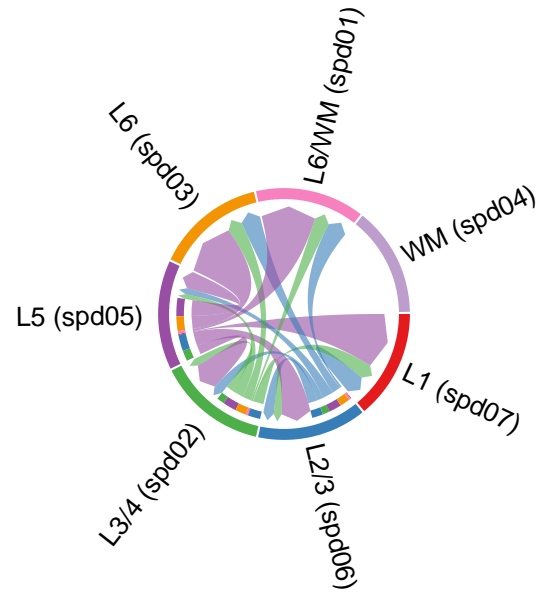

PTN scz signaling pathway network

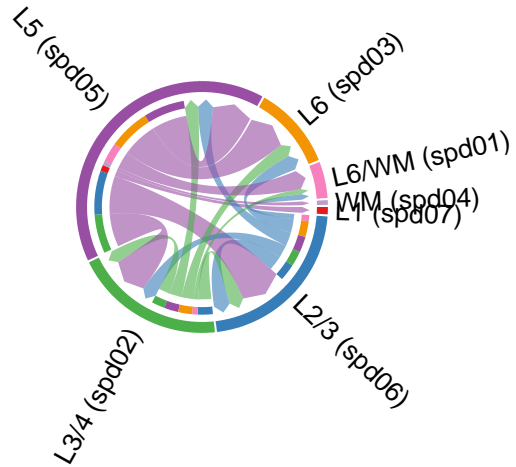

GABA-A ntc signaling pathway network

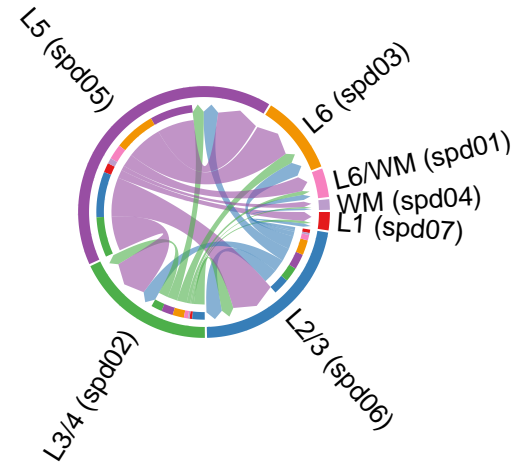

GABA-A scz signaling pathway network

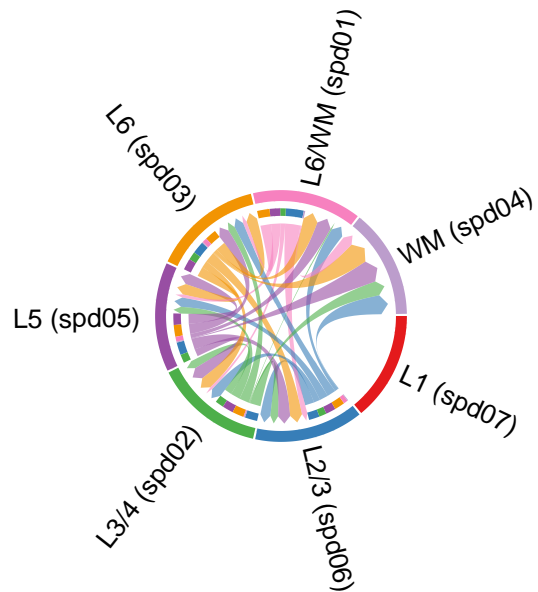

GABA-B ntc signaling pathway network

GABA-B scz signaling pathway network

Glutamate ntc signaling pathway network

Glutamate scz signaling pathway network
